UNFINISHED BUSINESS

The Board continued discussing what items will need to be addressed to support the new Bill.

NEW BUSINESS

The Board discussed the draft changes to the Rules and Regulations.

Mr. MacLennan stated that prior to the March Workshop the Board should review chapter 800 of the National Electric Code to possibly exclude it or a portion of it in the proposed definition for “electrical services.”

PUBLIC COMMENT

Several members of the public asked when the notice to licensees about the new law will be sent out and to whom it will be sent to.

Ms. Witte advised that she and another member of her team were in the process of drafting the letter which should be going out within the next two weeks and will be sent to the electrical licensees, Local 313, ABC, the Delaware inspection agencies, the three county vocational schools, major supply houses and the three county offices of the Department of Labor.

There was a lengthy discussion of the impact this new Bill will have on the enrollment of apprentices to the vocational schools.

The next scheduled Workshop will be on March 7, 2012 at 10:30 a.m. in Conference Room A, second floor of the Cannon Bldg. 861 Silver Lake Blvd. Dover DE.
